Article 6 Administrative and technical check – Area of supervised parking

The administrative check will be on Sunday, 4th of September. Time : 08:00 – 10:30 at the area of race.

The technical check will be on Sunday, 4th of September. Time : 08:30 – 10:30 at the area of race.

At the technical check every athlete must have :

- a) Helmet (for check)
- b) Motorcycle for technical check (are allowed **motocross-enduro-trail** motorcycles.)

If a motorcycle does not correspond to the category of having been registered, during the verifying or technical check before start, then this motorcycle after the proposal of administrative office or technical curators and after the jury's decision is able to move at the category of being corresponded.

At the end of verifying, the motorcycle is put at the area of supervised parking and is given to the athlete 5 minutes before start.

At the athlete whose motorcycle is not checked by administrative and technicians, is not allowed the entrance to the race.

The technical curators are allowed to check every athlete and his motorcycle during the whole race.

IN CASE OF RULES' DISOBEDIENCE TO THE TECHNICAL CURATORS THEN THE ATHLETE INCURES PENALTY EXCLUSION.

Article 7 Athlete's information

Athlete's information after the end of technical race. Time : 10:35

Article 8 Start

The race's start will be at 11:00 per 2 or 3 athletes every minute, according to the contestants.

The categories will start like the following line : 1,2,3,Junior,Veteran and Hobby.

For the starting order in each category will be taken into account the ranking score of Serres Offroad Premio 2016

Article 9 Route

At the start of the race, the athletes will enter to the special test with 2,2 km length that is defined with ribbon and will continue for the next 27 km closed type that is defined with ribbon and will go through SED and will go to space service-supply according to Article 11 of EK. The same will happen in the second, third and fourth round and will close again with the special test.

The Hobby Category will compete by one round less.

Article 10 Finish

The finish will be at the area of race. The athletes will guide their motorcycles at the space of supervised parking and will remain there for the last technical check until the end of objection's time that is 30 min. The athletes who do not guide their motorcycles at the area of supervised parking will be deleted from the race automatically.

Article 11 Replenishment, Area of work

The replenishment and the area of work will be set to the close route by the organizer and will determined by flags. The organizer should report the space at the contestants' information :

The motorcycles that entry at the repair space should **move slow**.

When the motorcycles stop to this area for repair or replenishment should turn off the motor.

The athlete has the right to accept outside help from engineer who has declared at the administrative control. The engineer can help, and only he, riders outside of the tire change that must be made by the same rider.

Article 12 Objections-Lodge an appeal

Objections and appeals should be submitted by the same person who has a complaint. Every objection should have one theme only. If the objection is about a negative event that is affirmed by the clerk of the course or from someone else who has been appointed by the organization for event's ascertainment, then the objection is not acceptable.

The objection's price is as equal as the participation's price but the price to lodge an appeal is double than the participation's price.

The objections are submitted:

- 1) For contestant or rider who does not follow the rules at least 30 minutes after the end of check verification.
- 2) During the results in 30 minutes after the results' publication.
- 3) For technical reasons in 30 minutes after the end of the race at the area of supervised parking.

Article 13 Results

The permanent results will be announced at the end of the race after last rider and they will be finalized in 30 minutes after their publication.

Article 14 Conferment

The conferment will be at the area of race after the end of race.

For the winners' race in every category are accorded to 1st – 2 – 3rd award.
